## 2. Pet Owner Permission & Service Agreement

**Permission for care** I authorize Pet Care For Good volunteers to provide the care requested in my form only after our coordinator and I agree on a plan. Submitting this request does not guarantee service. Volunteers may stop a visit if conditions are unsafe.

**Owner responsibilities & safety** I will provide accurate information about my pet, including bite or nipping history, aggression, escaping, strong pulling, illness and other safety concerns, before a visit is arranged. I will provide secure, suitable equipment and clear care instructions. I will not ask volunteers to perform tasks outside the agreed plan.

**Animal-related risks** Animals can behave unexpectedly. Risks include bites, scratches, falls, being pulled or knocked down, encounters with other animals, escaped pets, traffic and environmental hazards, property damage and exposure to animal waste. I acknowledge these risks when requesting volunteer care.

**Service limits** Services are free and depend on volunteer availability and suitable matching. This is not veterinary, medical, emergency, grooming or professional training care. Volunteers do not administer medication or enter a home alone. No payment, tips or gifts are accepted for care.

**Emergency procedures** Before a visit, we will confirm how to reach the owner and coordinator and any emergency contact or veterinary instructions. If an incident occurs, volunteers will stop the activity, contact the owner and coordinator promptly, and seek emergency assistance when necessary. This acknowledgment does not authorize unlimited veterinary costs or substitute for a specific emergency-care plan.

**Balanced risk acknowledgment** This acknowledgment does not make a pet owner responsible for unlimited losses or waive rights that cannot legally be waived. Responsibilities remain subject to applicable California law and the agreed service plan.

#### **Important California Limitation**

This agreement is intended to apply only to the extent permitted by California law. Nothing in this agreement is intended to waive rights or responsibilities that cannot legally be waived, including rights or claims that California law does not permit a participant to release.
