2. Liability Release, Assumption of Risk & Indemnification

Risk Acknowledgment The participant acknowledges that interacting with and caring for animals involves inherent and unpredictable risks, including but not limited to: Dog bites; Scratches; Falls; Being pulled or knocked down by a dog; Encounters with other animals; Escaped pets; Traffic and environmental hazards; Property damage; Exposure to animal waste; Unexpected animal behavior; Other injuries or losses associated with participation.

Assumption of Risk The participant acknowledges these risks and voluntarily chooses to participate in Pet Care For Good activities.

Release To the maximum extent permitted by applicable law, the participant agrees to release and hold harmless Pet Care For Good, its organizers, volunteers, representatives, and participating organizations from claims, demands, damages, or expenses arising out of the participant's voluntary participation in Pet Care For Good activities, except to the extent such release is prohibited or limited by applicable law.

Important California Limitation

This agreement is intended to apply only to the extent permitted by California law. Nothing in this agreement is intended to waive rights or responsibilities that cannot legally be waived, including rights or claims that California law does not permit a participant to release.

Indemnification — Subject to California Law If the participating organization requires it, a participant may separately agree, to the extent legally permitted under California law, to be responsible for losses caused by the participant's own intentional misconduct or violation of the participation rules. This provision is optional, applies only as permitted by law, and does not make a minor volunteer responsible for unlimited losses or liabilities.

3. Optional Photo & Video Consent (check one, both, or neither)

- ☐ I give permission for Pet Care For Good to use photographs or videos featuring me and/or my pet on Pet Care For Good's official social media accounts for community updates, educational content, and project promotion.
- ☐ I give permission for Pet Care For Good to use photographs or videos featuring me and/or my pet on the Pet Care For Good website and in documentation submitted to potential or current grant funders, sponsors, and community partners.

Photo permission does not affect participation. For volunteers under 18, a parent/guardian makes these choices. Permission may be withdrawn at any time.

4. Volunteer Signature
